News from the Library

Has your child lost a library book? All library books should have been returned during fixed library time this past week. Parents can pay for lost library books via MVCSC's [eFunds](#) link. Click on *PAY for Optional Fees*, then choose *Lost/Damaged Library Books* or send a check made out to your school and return to the library or front office. *Please note: We prefer to simply have the books returned.

MVCSC Summer Camp

Mt.Vernon Community School Corporation is offering an Elementary summer school program this summer. Elementary summer school is open to current kindergarten through 4th grade students (current 5th grade students wishing to participate should enroll in the middle school summer school program.) The 8 days of summer school run from July 11th - July 14th and July 18th - July 21st. Summer school begins each day at 8:30am and ends at 11:30am. Due to construction on the main campus, McCordsville Elementary will be our host for this year's program. Families should plan to drop their student(s) off at MES or choose one of the bus options offered. Please see the attached flyer for more details. If you wish to enroll your student, please complete the [Summer School Enrollment Form](#) before June 3rd. If you have any questions, please contact Stacy Muffler. Contact information can be found at the bottom of the flyer.

Lost and Found

Our school's lost and found is overflowing. If your child is missing anything, please get them to take a look before the end of the school year as during summer break everything will be donated. Thank you.
