A message from the Principal

Dear MES Families,

Spring break is fast approaching! The end of quarter 3 is Friday. Updated grades will be available the Friday after we return from break. As always, grades are available and updated in Skyward weekly and sometimes bi-weekly. Have a great weekend!

Stephanie

News from the Library

McCordsville Elementary was rocking **Read Across America Day** this past Wednesday, March 2nd. Check out our wonderful guest readers! Thank you to all who volunteered.

Mrs. Miller reading *Harry Potter* to 5th Grade

Mrs. Webb reading *The Napping House* to 2nd Grade

Mrs. Erkmanis reading *Stand Tall Molly Lou Melon* to 1st Grade

Mr. King reading *The True Story of the Three Little Pigs* to K

Mrs. Hill reading *The Dot* to 4th Grade

Lost and Found

Our schools lost and found is overflowing again. Everything is laid out on a table by the gym. There are coats, sweaters, hats, water bottles and lots more. Please have your child check if they're missing anything. Anything that is left will be donated during spring break. Thank you.

Yearbooks

MES yearbook orders are due by March 25, 2022. Orders can be made online at <https://inter-state.com/order> and enter this code 64287D. Or return the flyer with cash or check payable to MES.

MV Black and Gold Gala

Why is "home" so important to us? Perhaps, because for better or worse, by presence or absence, it is a crucial point of reference—in memory, feeling, and imagination—for inventing the story of ourselves, our life-narrative, for understanding our place in time. No matter what place you call home, the very word strikes a chord deep inside each of us. "Home" to some means sanctuary, the place we can rest, relax, enjoy time with friends, and family, learn, grow ... and just be. Our "home" says a lot about who we are and what we think is important.

Since our inception 15 years ago, The Mt. Vernon Community School District has served as the "heart" of our Mt. Vernon Education Foundation, "home" it has been the constant thread that weaves the fabric of our community together from casual conversation, cheering on players who represent us in sports, (Go Marauders!) to all of our amazing educators, the teachable moments and learning experiences along the way in creating a place where the foundation could invest thanks to the generosity of our donors in the *hopes, dreams, needs, and wishes of our students, staff, and community as we build brighter futures together.*

As we gather to celebrate the foundation's 15th Anniversary on Saturday, April 23, 2022, we hope you will join us in supporting our "home" through attending the Black and Gold Gala, sponsorship, donating to the silent auction, or granting a wish to one of our amazing teachers for their classrooms!

The Mt. Vernon Education Foundation will continue to work in supporting the gap between the tax dollars available and the funds needed to preserve the comprehensive education that our community values and expects for all of our Mt. Vernon students.

We hope you will join us at this year's Black and Gold Gala on Saturday, April 23, 2022, at the JW Marriott Indianapolis. To purchase tickets go to www.MtVernonFoundation.org

Camp Invention®

JUMP INTO BIG
ADVENTURES
THIS SUMMER!

LEARN MORE AT [INVENT.ORG/CAMP](https://www.invent.org/camp)

A second grader builds persistence by testing how marbles move through her arcade design!

A sixth grader gains confidence as he builds a robot to make awesome spin art!

A fourth grader uses problem-solving skills to create a Spaceship for a galactic journey!

EXPLORE A TYPICAL DAY AT OUR ALL-NEW 2022 PROGRAM

A.M. BASE CAMP

Drop off your camper with certified local educators who start each day with games that spark creativity.

ROBOTIC AQUATICS™:

Campers create a habitat for a robotic fish — complete with a symbiotic friend — and then take their fish home in its mini tank!

SPACECATION™:

Inspired by real space exploration, campers construct Spacepacks and Astro-Arm devices, mine asteroids and observe ice volcanoes!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

NIHF'S THE ATTIC™:

Combining science and art to build their own robotic artists, campers make spin art and learn that everyone can be creative!

MARBLE ARCADE™:

Campers get their game on as they experiment with the fun of physics and engineering to build their own mega marble arcades!

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

All images feature actual campers enjoying our new 2022 program.
